

# Bernardini

Kelvinside

World Champion three-year-old whose first northern hemisphere crop includes eight G1 performers. Juvenile G2 winner **Gamilati** heads his second. He's the only freshman sire ever to get G1-winning juveniles on turf and dirt, and no northern hemisphere stallion has ever racked up five Group or Graded winners as quickly as he has. First Australian yearlings made up to \$450,000, while his first Australian runners are headed by the impressive debut winner **Meidung**.
