Northwood Park

Rated Europe's best youngster in a decade, he won the Derby like his sire and took the Champion Stakes by six thrilling lengths in record time. Just about as good as it gets. [Brilliance on brilliance: undefeated at two and a five-time Group winner, he's by a mighty stallion out of a blue-chip mare.](#) Free of Danzig blood yet both sides of his pedigree excel with it. Leading first-season sire at the 2012 Magic Millions yearling sale, averaging more than five-times his service fee.
